Title:

Academic Calendar of 2022/2023

In effect from: 14. 12. 2022

In Prague on 14 December 2022

PhDr. JUDr. Tomáš Karásek, Ph.D. Dean of the Faculty

The academic year starts on **1. 10. 2022** and finishes on **30. 9. 2023**. Enrolments in study for newly admitted students take place before the start of the academic year, according to the schedule of the student services office posted on the faculty's website. **Current students enrol in the 2nd and higher years of study once a year, according to the schedule set by this academic calendar, through SIS UK.** Students register for individual courses every semester, only through the SIS UK and only within the period specified in this academic calendar.

Registration for the course by the deadline specified in this academic calendar is a prerequisite for being able to take the course.
